

**It's as EASY as 1-2-3 to get
\$100 - \$200 - \$300
LOYALTY TRADE IN PROGRAM**

To show our appreciation for being a loyal customer, Engler Engineering Corporation is pleased to offer a loyalty program that is as easy as 1-2-3. If you currently own an Engler Dental unit or an ADS 1000 anesthesia machine we are now offering a loyalty trade in as follows:

**Sonus V Ultrasonic Dental Scaler : \$100.00 / Polix X Variable speed polisher : \$100.00
Son-Mate Ultrasonic scaler/poisher : \$200.00 / ADS 1000 Anesthesia machine : \$300.00**

Engler will make it as easy as 123 with our loyalty trade in policy. Here is how it works:

Purchase a new Engler Dental or Anesthesia unit listed above and we will issue a pickup of your older unit at our expense and mail you a loyalty rebate check once we receive your trade in unit. This offer is only valid for US customers and if you are trading in one of the above listed Engler units. All units that are being traded in must include all original accessories for the loyalty rebate check to be issued. Proof of purchase of New Engler unit required.

Dental units being traded in must include all handpieces, micromotor, straight handpiece, tips, insert and prophylaxis angle. Whether all are in working condition or not etc... The ADS 1000 being traded in must include all hoses, connectors, mask adaptor and power adaptor etc..

A loyalty rebate check will be mailed to you within 30 days of receiving your loyalty trade in.

We appreciate your business and look forward to serving you for all your future Dental and Anesthesia
