Engler Engineering Corporation agrees to repair or replace, pending review, any equipment or item found to be defective. Our warranty also covers part / equipment failure under normal and proper use during the warranty period described above. Repair or replacement will be determined providing the equipment was properly used and properly cared for as per the Engler owners manual. The warranty does not cover negligence or lack of maintenance. Repair or replacement is the decision of Engler Engineering Corp. and all decisions are final. Engler Engineering Corp. shall not be held responsible for any damages as the result of improper installation, plumbing, electrical etc.. All equipment and accessories should be used by and under the supervision of a trained doctor, veterinarian, dentist or hygienist.

All items returned to Engler Engineering for evaluation must be shipped pre-paid. All shipping to and from Engler Engineering is the responsibility of the customer.
